

# HANGAR

Work / Meet / Create

**On the banks of the Botič.**  
A small piece of green oasis with benches that attract you for a great rest.

**Directly on public transport.**  
It's just a stone's throw away – and, it only takes a few minutes to get to the historic center of Prague.

**Above Mozzarellart.**  
When tummies rumble, it's an excellent option for very tasty Italian brunch.

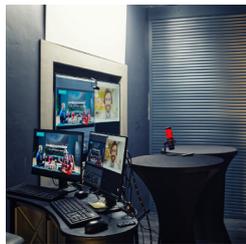

**All-in-one.**  
There's a place for work, creative workshops, presentations, streaming, and even relaxing.
